Land Acknowledgement Statement: *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

25. Bureaucratic Effectiveness and Referral Improvement and Prioritization Effort (BE RIPE) *(Reviewed by the Agenda & Rules Committee)*

From: Councilmember Droste (Author)

Recommendation:

In order to ensure that the City focuses on high-priority issues, projects, and goals and affords them the resources and funding such civic efforts deserve, the City Council should consult with the City Manager's Office to develop and adopt a suite of revisions to the City Council Rules of Procedure and Order that would implement the following provisions:

1. Beginning in 2023, Councilmembers shall submit no more than one major legislative proposal or set of amendments to any existing ordinance per year, with the Mayor permitted to submit two major proposals, for a maximum of ten major Council items per year.
2. In 2023 and all future years, Councilmembers shall be required to submit major items before an established deadline. Council shall then prioritize any new legislative items as well as any incomplete major items from the previous year using the Reweighted Range Voting (RRV) process. This will help establish clear priorities for staff time, funding, and scheduling Council work sessions and meetings. For 2023 alone, the RRV process should include outstanding/incomplete Council items from all previous years. In 2024 and thereafter, the RRV process should only incorporate outstanding/incomplete major items from the prior year. However, Councilmembers may choose to renominate an incomplete major policy item from an earlier year as their single major item.
3. During deliberations at a special worksession, Council retreat, and/or departmental budget presentations, Council and the City Manager should develop a work plan that establishes reasonable expectations about what can be accomplished by staff given the list of priorities as ranked by RRV. Council should also consult with the City Manager and department heads, particularly the City Attorney's office, Planning Department, and Public Works Department on workload challenges (mandates outside Council priorities, etc.), impacts, reasonable staff output expectations, and potential corrective actions to ensure that mandated deadlines are met, basic services are provided, and policy proposals are effectively implemented.
4. Budget referrals and allocations from City Council must be explicitly related to a previously established or passed policy/program, planning/strategy document, and/or an external funding opportunity related to one of these. As a good government practice, councilmembers and the Mayor may not submit budget referrals which direct funds to a specific organization or event. Organizations which receive City

Action Calendar – New Business

funding must submit at least annually an application detailing, at a minimum: the civic goal(s)/purpose(s) for which City funds are used, the amount of City funding received for each of the preceding five years, and quantitative or qualitative accounting of the results/outcomes for the projects that made use of those City funds. Organizations receiving more than \$20,000 in City funds should be required to provide quantitative data regarding the number of individuals served and other outcomes.

5. Ensuring that any exceptions to these provisions are designed to ensure flexibility in the face of an emergency, disaster, or urgent legal issue/liability and narrowly tailored to be consistent with the goals of enhanced efficiency, effectiveness, fairness, and focus.

Policy Committee Recommendation: To send the item to the City Council with a Qualified Positive Recommendation to refer the relevant concepts of the original item to the Agenda & Rules Committee for consideration under the existing committee agenda item regarding enhancements to the City's legislative process.
