4. Changes to the Berkeley Municipal Code and City of Berkeley Policies with Respect to Local Emergency Declarations and First Amendment Curfews
(Continued from June 9, 2020)

From: Councilmember Hahn (Author), Councilmember Bartlett (Co-Sponsor), Councilmember Harrison (Co-Sponsor), Mayor Arreguin (Co-Sponsor)

Recommendation:

1. Direct the City Manager to return to the City Council for adoption amendments to the Berkeley Municipal Code and/or policies to approve that clarify and codify the following with respect to the declaration of a Local Emergency:
 - a. A Local Emergency can only be declared by the Director of Emergency Services if a regular or special meeting and session of the City Council cannot be called due to physical impossibility of holding a meeting, because a quorum cannot be established, or because the urgency of the Local Emergency is such that waiting 24 hours for the City Council to convene a session and/or Special Meeting would endanger the community;
 - b. Should the Director declare a Local Emergency without action of the City Council (due to one of the reasons stated at (a), above), Council ratification of such action occurs at the first possible opportunity, even if it requires calling a Special Meeting and/or session of the Council; and
 - c. The applicable statutory and legal standards (Federal, State and Local) for calling a Local Emergency shall be presented to the City Council when seeking declaration or ratification of a Local Emergency, along with facts to support meeting those standards, so that the City Council, likely acting under rushed and exigent circumstances, is able to make a carefully considered and fact-based determination that declaration of such Local Emergency conforms with the legal standards and is supported by facts.
2. Direct the City Manager to return to the City Council for adoption amendments to the Berkeley Municipal Code and/or policies to approve that clarify and codify policies, terms and procedures for the order, scope, terms, duration, and all other elements and conditions of curfews called in response to, or likely to have the effect of limiting or banning, planned, expected or reasonably foreseeable first amendment activity, including rallies, marches, demonstrations and assemblies of all kinds (“First Amendment Curfews”), as enumerated (1-8) under the “Background” section of this item, below.
3. Advise the City Manager and/or Director of Emergency Services that approval of this item represents the will and direction of the City Council with respect to declarations of Local Emergencies and imposition of First Amendment Curfews, and should the occasion to declare a Local Emergency or impose a First Amendment curfew arise prior to formal Council adoption of the requested amendments and policies, the City Manager and/or Director of Emergency Services shall, to the greatest extent possible under existing law, strive to encompass actionable elements, and meet spirit, of this item.

Financial Implications: See report
