CONSENT CALENDAR

To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Submitted by: Mark Numainville, City Clerk

Subject: Revised Conflict of Interest Code

RECOMMENDATION

Adopt a Resolution adopting a revised Conflict of Interest Code for the City of Berkeley and rescinding Resolution No. 68,201–N.S.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND EFFECTS

The Political Reform Act requires all cities to adopt and promulgate a Conflict of Interest Code (Code) which specifies designated positions subject to financial disclosure and provides for specific levels of financial disclosure. It also requires amendments to the Code within designated time periods to reflect changed circumstances, including the creation of new positions which must be designated and relevant changes in duties assigned to existing positions (Government Code Sections 87100, et seq.).

In this Code Amendment, the appendix for the Housing Advisory Commission has been revised to be raised to the broadest level of disclosure due to their status as a quasi-judicial body. This broader level of disclosure is needed for a body that must adhere to due process requirements in quasi-judicial hearings. Additionally, minor, non-substantive changes have been made to a number of commission appendices for consistency and clarity. New disclosure appendices have been added for the Homeless Services Panel of Experts, the Joint Subcommittee on the Implementation of State Housing Laws, and the Measure O Bond Oversight Committee.

Department appendices have been updated to reflect changes in department organization, including the addition of newly established classifications and the deletion of classifications which have been abolished. The following departments have updated disclosure appendices: City Manager's Department, Finance Department, Fire and Emergency Services Department, Health, Housing, and Community Services Department, Department of Information Technology, Parks, Recreation and Waterfront Department, Planning and Development Department, Public Works Department, and the Rent Stabilization Board.

The City began allowing employees to complete their Statements of Economic Interest electronically in 2009 while still requiring that signed hard copies be submitted; fully electronic filing was certified by the State and became mandatory in 2015. As many City boards and commission members have requested access to electronic filing and providing this service would reduce both staff time and paper usage, it is proposed that electronic filing be implemented on a voluntary basis for commissioner filings beginning January 1, 2020.

BACKGROUND

The City of Berkeley's first Conflict of Interest Code was adopted on October 1, 1982 by Resolution No. 51,425–N.S. and has been amended as necessary over time to reflect changes in regulations, departmental organizational structure, designated positions within departments, and commissions. A revised Code was last adopted by the City Council on October 31, 2017 by Resolution No. 68,201–N.S.

The Code accurately designates all positions that make or participate in the making of governmental decisions. The disclosure categories assigned to these positions require the disclosure of all investments, business positions, interests in real property and sources of income, which may foreseeably be affected materially by the decisions made by those designated positions. The Code includes all other provisions required by Government Code Section 87302 and incorporates by reference FPPC Regulation 2 Cal. Admin. Code Section 18730.

Attachment two shows the portions of the Code which required revision, in consultation with the City Attorney and Department Directors. Text to be added is underlined and text to be deleted is crossed out.

ENVIRONMENTAL SUSTAINABILITY

Allowing electronic filing of City commissioners' Form 700s will save a substantial amount of paper and vehicle trips to 2180 Milvia Street.

RATIONALE FOR RECOMMENDATION

The City is required by state law to adopt a Conflict of Interest Code. Ongoing revisions are necessary to ensure that the Code accurately reflects the designated positions outlined in each department's organizational structure. In addition, electronic filing of Form 700s by City commissioners will save both resources and staff time.

ALTERNATIVE ACTIONS CONSIDERED
