

Office of the City Manager

PUBLIC HEARING  
May 12, 2020

To: Honorable Mayor and Members of the City Council  
 From: Dee Williams-Ridley, City Manager  
 Submitted by: Lisa Warhuss, Director, Health, Housing & Community Services  
 Department  
 Subject: Published Charges: Mental Health Clinical Services

RECOMMENDATION

Conduct a Public Hearing and, upon conclusion, adopt a Resolution establishing Published Charges for Mental Health Clinical Services for FY 2020. Published Charges are effective July 1, 2019.

FISCAL IMPACTS OF RECOMMENDATION

Approval of the requested action will enable Berkeley Mental Health (BMH) to comply with Short-Doyle/Medi-Cal (SD/MC) regulations and avoid federal Lower of Cost or Charges (LCC) audit disallowances. The State Department of Health Care Services will bill these charges as directed by the local mental health jurisdiction.

There is no net city cost associated with the recommended plan. Published Charges are utilized in the cost reporting process to establish Medi-Cal reimbursement for mental health services. The cost reporting process is the methodology the state and federal government require to show BMH's actual funding sources and uses and the services delivered. The cost report is based on expenses, services and funding for the previous fiscal year. In this case, the effective date of July 1, 2019 establishes the rates for the BMH's cost report for FY2020. The City is reimbursed for allowable services at the lower of two rates— actual costs or Published Charges.

CURRENT SITUATION AND ITS EFFECTS

Berkeley Mental Health set Published Charges for FY 2019 and these were adopted by the City Council on May 15, 2019 through Resolution No. 68, 895-N.S. In the cost report claiming process, BMH is allowed to claim Medi-Cal revenue equal to the lesser of two amounts – actual costs for service provision or Published Charges. Throughout the year, BMH is reimbursed for Medi-Cal eligible services at an Interim Rate which is an amount based on the most recently approved cost report. In the Cost Report these payments are reconciled with the total revenue for which BMH is eligible. The actual costs for FY 2019 were adjusted by the Federal Home Health Agency Market Basket Index to set the proposed Published Charges for FY 2020. Current and proposed rates are detailed in Attachment 2.

### BACKGROUND

The Mental Health Division of the Health, Housing and Community Services Department utilizes a cost report process to claim Medi-Cal fees for eligible mental health and case management services. This revenue is used to fund mental health expenses for a wide variety of City mental health programs. The establishment of Published Charges allows for complying with SD/MC and LCC regulations in the claiming of these funds.

### ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

### RATIONALE FOR RECOMMENDATION

Medi-Cal regulations require BMH to establish Published Charges at least annually. Federal requirements stipulate that Published Charges are determined at the mental health jurisdiction level. The recommended Published Charges comply with the SD/MC audit requirements.

As the lower of Published Charges or actual expenses are utilized in calculating the total Medi-Cal reimbursements due BMH in the Cost Report process, setting Published Charges helps the City maximize Medi-Cal revenue which supports BMH programs.

The Published Charge rate does not affect the amount mental health consumers with Medi-Cal are charged for services – rather it only affects the amount BMH can charge Medi-Cal for these eligible services. For any consumer without Medi-Cal, BMH utilizes the Universal Mechanism for Determining Ability to Pay (UMDAP) and sets the fee at an affordable rate.

### ALTERNATIVE ACTIONS CONSIDERED

The City can choose not to set Published Charges and continue to use the Interim Rate setting process with ACBHCS to determine Published Charges. If the City were to set Published Charges below the proposed rates, it is estimated that FY 2019 cost report derived Medi-Cal revenues will be below the actual cost associated with the delivery of such services.
