

Office of the City Manager

CONSENT CALENDAR
OCTOBER 11, 2022

To: Honorable Mayor and Members of the City Council
 From: Dee Williams Ridley, City Manager
 Submitted by: Peter Radu, Assistant to the City Manager
 Subject: Amendment to Contract No. 108-410-1: Paw Fund for Spay and Neuter Services

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to increase the total Spay Neuter Your Pet (SNYP) allocation from \$23,812 to \$35,000 and to execute a contract and amendments with Paw Fund to provide no-cost spay and neuter surgeries to eligible pet owners for FY 2023, increasing the contract amount by \$17,500, for a new total contract amount not to exceed \$134,466 and extending the terms of the contract to September 14, 2023.

FISCAL IMPACTS OF RECOMMENDATION

The “Spay Neuter Your Pet” (SNYP) grant comes from the General Fund and is a community agency allocation that is given by Animal Services each year. The SNYP program provided \$23,812 to Paw Fund for FY 2016, \$23,812 for FY 2017, \$23,812 for FY 2019 and \$23,812 for FY 2020, \$11,906 for FY 2021, \$9,812 for FY 2022 for a total of \$116,966. Staff propose to award the amount of \$17,500 in FY23 to Paw Fund, for a total amount not to exceed \$134,466.

CURRENT SITUATION AND ITS EFFECTS

The current contract between the City of Berkeley and Paw Fund expired on June 30, 2022. Paw Fund has contracted with the City of Berkeley to provide no-cost spay and neuter surgeries to eligible pet owners since FY 2016. By providing no-cost spay and neuter surgeries, Paw Fund decreases the number of unwanted pet offspring and reduces the number of homeless animals entering the Dona Spring Animal Shelter.

A second contractor, Animal Fix Clinic (formerly Fix Our Ferals), has contracted with the City of Berkeley to provide no-cost spay neuter and surgeries to eligible pet owners since 2017. The FY 2023 SNYP grant will be divided between these two community-based organizations.

BACKGROUND

Many low-income pet owners would like to access spay and neuter services for their pets but are unable to afford the cost of surgery through local veterinary clinics. Paw Fund consistently works with low-income pet owners and is able to reach out to eligible pet owners whose animals need spay and neuter surgeries. The SNYP program provides for 175 free spay or neuter surgeries each year which decreases unwanted litters of pets and decreases the number of unwanted pets entering the Dona Spring Animal Shelter.

RATIONALE FOR RECOMMENDATION

Paw Fund is well equipped and capable of providing the services under the SNYP program. If this funding is not authorized, it would prevent 60 animals belonging to low income pet owners from being spay or neutered at no cost to the owner.

ALTERNATIVE ACTIONS CONSIDERED

The alternative to providing free spay and neuter surgeries to low income residents is to refer them to low cost spay and neuter clinics in the surrounding area. Prices in these clinics range from \$150 to \$500 and waiting lists for appointments are four months which is prohibitive to many pet owners

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental effects or climate impacts associated with the subject of this report.
