BERKELEY CITY AUDITOR

INFORMATION CALENDAR

September 29, 2022

To: Honorable Mayor and Members of the City Council

From: Jenny Wong, City Auditor *JW*

Subject: New Audit Recommendation Dashboard

INTRODUCTION

Municipal code section 2.24.100 states that the City Auditor may follow up with audited departments on the status of audit recommendations. Additionally, Administrative Regulation 3.7 requires the City Auditor to monitor the status of outstanding audit recommendations and periodically report to City Council. The City Auditor's Office recently launched an online public dashboard to increase the transparency and accessibility of how we fulfill those responsibilities.

CURRENT SITUATION AND ITS EFFECTS

On September 8, 2022, our office launched an online dashboard<sup>1</sup> to track the status of outstanding audit recommendations. The main purpose of the dashboard is to report on the implementation phase of audit recommendations. The dashboard increases transparency by making it easier for City Council, management, and the community to view data about audit recommendations.

The dashboard includes every audit report issued since 2012 and recommendations that were still open, or not yet implemented, during or after 2012. For each recommendation, the dashboard shows the original audit issue date, department responsible for implementation, most recent status update, current implementation phase, and recommendation type (such as transparency, efficiency, etc.). The dashboard allows users to sort the data and filter by these characteristics. The sections below highlight some of the data available on the dashboard as of September 8, 2022.

---

<sup>1</sup> The dashboard is available through Missionmark, an online audit management platform:  
<https://dashboard.missionmark.com/779a7do-a1b8-4c51-bdb1-bf81145bc76e/>

Total Recommendations and Audits Issued

The City Auditor’s office has issued 49 audits with a combined total of 330 recommendations since 2012. Currently there are 69 recommendations from 12 audits that are considered open, or pending implementation (Figure 1).

**Figure 1. Open Recommendations**

Source: Missionmark dashboard

Implementation Phase

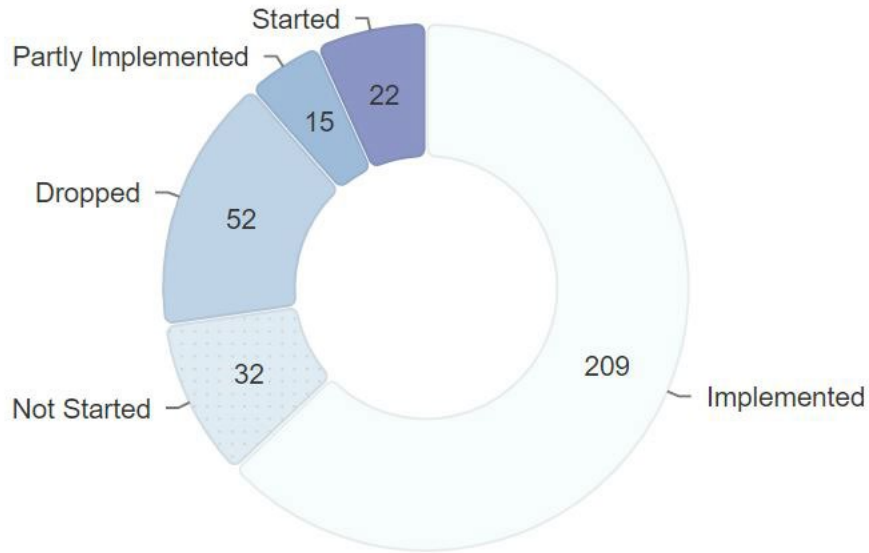

The dashboard groups recommendations by implementation phase:

- **Implemented:** The audited department has addressed the audit risk by completely implemented the recommendation.
- **Partly implemented:** The audited department has implemented 50 percent or more of the recommendation.
- **Started:** The audited department has started to address the recommendation but has not reached the 50 percent threshold.
- **Not started:** The audited department has not yet taken action to implement the recommendation.
- **Dropped:** The audited department has accepted the risk to the city that the recommendation is meant to address and is unable or unwilling to implement the recommendation. This status is assigned for recommendations not implemented by five years after the audit release date.

Of the 330 total recommendations, 209 (63 percent) have been fully implemented as of September 8, 2022.

**Figure 1. Recommendations by Implementation Phase**

Recommendations by Type

All recommendations are categorized as one of four categories: regulatory compliance, transparency and accountability, efficiency and effectiveness, and internal controls. These categories help summarize the primary issue that the recommendation is intended to help mitigate and the nature of the risk to the City if it is not implemented.

The largest group (45 percent) of recommendations are related to efficiency and effectiveness. The second largest group (28 percent) are related to transparency and accountability.

**Figure 2. Recommendations by Type**

Recommendations by Department

The dashboard lists recommendations by responsible department and implementation phase. The City Manager has the most recommendations, followed by Public Works and Finance.

Dashboard Updates

To ensure that the dashboard data is accurate, our office will manually update the dashboard after verifying documentation from departments that support their proposed updates to the implementation phase. Consequently, the dashboard will reflect accurate information as of the most recent update.

BACKGROUND

Following up on audit recommendations is an important part of the audit process that helps hold departments accountable for implementing agreed-upon audit recommendations. The City Auditor’s office paused this process in March 2020 to allow departments to prioritize responding to the COVID-19 pandemic. In April 2022, we resumed the follow up process and worked with departments to update the status of open audit recommendations in the newly-implemented Missionmark recommendation management system.

The audit follow-up process begins when the audit is issued. When the City Auditor’s Office issues audit reports, we ask Council to direct auditees to report back on the implementation of audit recommendations. The first audit recommendations report is generally due to the Council six months after we issue the audit report and every six months after for two years or agreed-upon timeline. Our expectation is that auditees implement our recommendations within two years of audit issuance. If recommendations cannot be implemented within this timeline due to constraints beyond the auditee’s control (e.g., new software implementation, a lack of sufficient funds, or union agreement restrictions), we take those into consideration. Generally, we follow up on recommendations for up to five years after they are issued.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

While there may be environmental impacts associated with some audit recommendations, there are no identifiable environmental effects or opportunities associated with the recommendations dashboard report.

Office of the City Manager

November 9, 2020

To: Mayor and Council  
From: Dee Williams-Ridley, City Manager  
Subject: Commission Meetings Under COVID-19 Emergency (Item 20)

---

This memo provides supplemental information for the discussion on Item 20 on the November 10, 2020 Council agenda. Below is a summary and update of the status of meetings of Berkeley Boards and Commissions during the COVID-19 emergency declaration and the data collected by the City Manager on the ability of commissions to resume meetings in 2021.

On March 10, 2020 the City Council ratified the proclamation of the Director of Emergency Services for a state of local emergency related to the COVID-19 pandemic. The emergency proclamation has been renewed twice by the Council and remains in effect.

On March 17, 2020 the City Council adopted Resolution No. 69,331-N.S. which placed limitations of the meetings of City legislative bodies, including all boards and commissions. The resolution allows for commissions to meet to conduct time-sensitive, legally mandated business with the authorization of the City Manager. Since that time, several commissions have obtained this approval and held meetings; many other commissions have not met at all since March.

The City Manager has periodically reviewed the status of commission meetings with the City Council Agenda & Rules Committee. Recently, at the October 12, 2020 Agenda & Rules Committee meeting, the City Manager presented a proposal to allow all commissions to meet under limited circumstances. The Committee voted to endorse the City Manager's recommendation.

Effective October 12, 2020, all City boards and commissions may meet once to develop and finalize their work plan for 2021 and to complete any Council referrals directly related to the COVID-19 pandemic response. A second meeting may be held to

complete this work with specific authorization by the City Manager. It is recommended that the meeting(s) occur by the end of February 2021.

Commissions that have been granted permission to meet under Resolution No. 69,331-N.S. may continue to meet pursuant to their existing authorization, and may also meet to develop their 2021 work plan.

Commissions that have not requested meetings pursuant to the Resolution No. 69,331-N.S. may meet pursuant to the limitations listed above.

In response to questions from the Agenda & Rules Committee and the Council, the City Manager polled all departments that support commissions to obtain information on their capacity to support the resumption of regular commission meetings. The information in Attachment 1 shows the information received from the departments and notes each commission's ability to resume a regular, or semi-regular, meeting schedule in 2021.

In summary, there are 24 commissions that have staff resources available to support a regular meeting schedule in 2021. Seven of these 24 commissions have been meeting regularly during the pandemic. There are five commissions that have staff resources available to support a limited meeting schedule in 2021. There are seven commissions that currently do not have staff resources available to start meeting regularly at the beginning of 2021. Some of these seven commissions will have staff resources available later in 2021 to support regular meetings. Please see Attachment 1 for the full list of commissions and their status.

With regards to commission subcommittees, there has been significant discussion regarding the ability of staff to support these meetings in a virtual environment. Under normal circumstances, the secretary's responsibilities regarding subcommittees is limited to posting the agenda and reserving the meeting space (if in a city building). With the necessity to hold the meetings in a virtual environment and be open to the public, it is likely that subcommittee meetings will require significantly more staff resources to schedule, train, manage, and support the work of subcommittees on Zoom or a similar platform. This additional demand on staff resources to support commission subcommittees is not feasible for any commission at this time.

One possible option for subcommittees is to temporarily suspend the requirement for ad hoc subcommittees of city commissions to notice their meetings and require public participation. Ad hoc subcommittees are not legislative bodies under the Brown Act and are not required to post agendas or allow for public participation. These requirements are specific to Berkeley and are adopted by resolution in the Commissioners' Manual. If it is the will of the Council, staff could introduce an item to temporarily suspend these

requirements which will allow subcommittees of all commissions to meet as needed to develop recommendations that will be presented to the full commission.

The limitations on the meetings of certain commissions are due to the need to direct staff resources and the resources of city legislative bodies to the pandemic response. Some of the staff assigned as commission secretaries are engaged in work with the City Emergency Operations Center or have been assigned new duties specifically related to the impacts of the pandemic.

Meeting frequency for boards and commissions will continue to be evaluated on a regular basis by the City Manager and the Health Officer in consultation with Department Heads and the City Council.

Subject: Commission Meetings During COVID-19 Emergency

This memo serves to provide a summary and update of the status of meetings of Berkeley Boards and Commissions during the COVID-19 emergency declaration.

On March 10, 2020, the City Council ratified the proclamation of the Director of Emergency Services for a state of local emergency related to the COVID-19 pandemic. The emergency proclamation has been renewed twice by the Council and remains in effect.

On March 17, 2020, the City Council adopted Resolution No. 69,331-N.S. which placed limitations of the meetings of City legislative bodies, including all boards and commissions. The resolution allows for commissions to meet to conduct time-sensitive, legally mandated business with the authorization of the City Manager. Since that time, several commissions have obtained this approval and held meetings; many other commissions have not met at all since March.

The City Manager has periodically reviewed the status of commission meetings with the City Council Agenda & Rules Committee. Recently, at the October 12, 2020, Agenda & Rules Committee meeting, the City Manager presented a proposal to allow all commissions to meet under limited circumstances. The Committee voted to endorse the City Manager's recommendation.

Effective October 12, 2020, all City boards and commissions may meet once to develop and finalize their work plan for 2021 and to complete any Council referrals directly related to the COVID-19 pandemic response. A second meeting may be held to complete this work with specific authorization by the City Manager. It is recommended that the meeting(s) occur by the end of February 2021.

Commissions that have been granted permission to meet under Resolution No. 69,331-N.S. may continue to meet pursuant to their existing authorization, and may also meet to develop their 2021 work plan.

Commissions that have not requested meetings pursuant to the Resolution No. 69,331-N.S. may meet pursuant to the limitations listed above.

Re: Commission Meetings During COVID-19 Emergency

To assist commissions with the development of their work plan and to provide the City Council with a consistent framework to review the work plans, the City Manager has developed the following items to consider in developing the work plan that is submitted to the City Council agenda.

Prompts for Commissions to use in work plan:

- What commission items for 2021 have a direct nexus with the COVID-19 response or are the result of a City Council referral pertaining to COVID-19?
- What commission items for 2021 are required for statutory reasons?
- What commission items for 2021 are required for budgetary or fund allocation reasons?
- What commission items for 2021 support council-adopted or voter-adopted mission critical projects or programs?
- What are the anticipated staff demands (above and beyond baseline) for analysis, data, etc., to support commission work in 2021 (baseline duties = posting agendas, creating packets, attend meetings, minutes, etc.)?

The limitations on commission meetings are due to the need to direct staff resources and the resources of city legislative bodies to the pandemic response. Many of the staff assigned as commission secretaries are engaged in work with the City Emergency Operations Center or have been assigned new specific duties related to the impacts of the pandemic.

Meeting frequency for boards and commissions will continue to be evaluated on a regular basis by the City Manager in consultation with Department Heads and the City Council. More frequent meetings by commissions will be permitted as the conditions under COVID-19 dictate.

Thank you for your service on our boards and commissions. The City values the work of our commissions and we appreciate your partnership and understanding as we address this pandemic as a resilient and vibrant community.

## Hybrid Meeting Policies for City Council Meetings Revised May 2022

The policy below covers the conduct of hybrid City Council meetings (in-person and remote participation) held in accordance with the Government Code and any relevant Executive Orders or State declared emergencies. These administrative policies supplement the City Council Rules of Procedure and Order.

City Council policy committees and city boards and commissions will continue to meet in a virtual-only setting until the City Council makes the required findings under state law that in-person meetings may resume.

### I. Vaccination Status

Prior to entry, all in-person attendees at the meeting location must present valid proof of “up-to-date” COVID-19 vaccination or a verified negative test conducted within one day prior for an antigen test or two days prior for a PCR test. An attendee is “up-to-date” with their vaccinations if:

- It has been less than 2 months after receiving the initial dose of their Johnson & Johnson Vaccine.
- It has been less than 5 months after receiving the second dose of their two-dose Pfizer or Moderna initial series.
- The attendee has received a booster.

#### *Pre-entry negative testing*

*Definition: Testing must be conducted within one day for an antigen test and within two days for a PCR test prior to entry into an event. Results of the test must be available prior to entry into the facility or venue. Children under 2 years of age are exempt from the testing requirement, consistent with [CDC guidance](#).*

*Verification: See current [CDPH Updated Testing Guidance](#) and [CDPH Over-the-Counter Testing Guidance](#) for acceptable methods of proof of negative COVID-19 test result and information on Over-the-Counter tests. Note: Self-attestation may not be used to verify negative test result, even when using Over-the-Counter (or at home tests) for entry into Indoor Mega Events.*

### II. Health Status Precautions

If a person who desires to attend the meeting in-person is feeling sick, including but not limited to, cough, shortness of breath or difficulty breathing,

fever or chills, muscle or body aches, vomiting or diarrhea, or new loss of taste or smell, they will be advised to attend the meeting remotely.

If an in-person attendee has been in close contact, as defined below, with a person who has tested positive for COVID-19 in the past five days, they are advised to attend the meeting remotely.

Close contact is defined as being within approximately 6 feet for greater than 15 minutes over 24 hours within 2 days before symptoms appear (or before a positive test for asymptomatic individuals); or having contact with COVID-19 droplets (e.g., being coughed on while not wearing recommended personal protective equipment).

A voluntary sign in sheet will be available at the meeting entry for in-person attendees. This will assist with contact tracing in case of COVID-19 contact resulting from the meeting.

### **III. Face Coverings/Mask**

Face coverings or masks that cover both the nose and mouth are required for all attendees at an in-person City Council meeting. Face coverings will be provided by the City and available for attendees to use at the meeting. Members of the City Council, city staff, and the public are required to wear a mask at all times, except when speaking publicly from the dais or at the public comment podium.

If an attendee at a Council meeting is not wearing a mask, a mask will be offered to them to use. If the attendee refuses to wear a mask, a recess will be called in order to provide guidance to the attendee on the requirement and their options for attending remotely and in-person.

Private security personnel will be the primary person for requesting compliance. If removal of a non-compliant person is needed, law enforcement personnel will perform this task.

### **IV. Physical Distancing**

Currently, there are no physical distancing requirements in place by the State of California or the Local Health Officer for an indoor event similar to a Council meeting.

Audience seating capacity will be at regular allowable levels per the Fire Code. The relevant capacity limits will be posted at the meeting location. However, all attendees are requested to be respectful of the personal space of other attendees. An area of the public seating area will be designated as “distanced seating” to accommodate persons with a medical status that

requires distancing and for those that choose to distance for personal health reasons.

Conference room capacity is limited to 15 persons.

City staff will present remotely in order to reduce the number of persons in the Boardroom and back conference area.

Distancing is encouraged for the dais and partitions will be used as needed for the seating positions on the dais.

**V. Protocols for Remote Participation by Mayor or Councilmembers**

Upon the repeal of the state-declared emergency, all standard Brown Act requirements will be in effect for members of the Council participating remotely. For the Mayor and Councilmembers participating remotely, the remote location must be accessible to the public and the public must be able to participate and give public comment from the remote location.

- A Councilmember at a remote location will follow the same policies as the Boardroom with regards to vaccination status and testing requirements, health status precautions, and masking requirements.
- A Councilmember at a remote location may impose reasonable capacity limits at their location.

**VI. Hand Washing/Sanitizing**

There are hand sanitizing stations placed at the entry and strategically throughout the Boardroom. The bathrooms have soap and water for handwashing.

**VII. Air Flow/Circulation/Sanitizing**

Berkeley Unified Facilities Staff performs a vigorous cleaning process after each use of the Boardroom. BUSD upgraded all HVAC filtration to MERV13, and with the inclusion of Needlepoint BiPolar Ionization, is achieving a rating that is closer to MERV18. Additionally, BUSD installed indoor air quality monitoring sensors in all facilities that constantly monitor Volatile Organic Compounds, CO<sub>2</sub>, Relative Humidity, and Temperature. The sensors and alarms allow BUSD to ensure that all systems are working properly and as designed. If a sensor trips an alarm, a work order request is generated immediately to ensure the system is repaired expeditiously.

**VIII. Overflow in Gymnasium**

An overflow indoor seating area will be available at the West Campus Gymnasium if staff determines that attendance is likely to exceed the capacity of the Boardroom. The capacity of the gymnasium is 200 persons. The

overflow area will have a broadcast of the meeting in progress to allow participants to follow the proceedings and move to the Boardroom at the appropriate time to provide public comment if desired. This area will be monitored by the BUSD security personnel.

**IX. Food Provided for Elected Officials and Designated Staff**

- No buffet dinner provided. Box lunches only. Maximum of 16 (Mayor & Council [9], City Manager, City Attorney, City Clerk [2], Deputy City Managers [2], BCM Staff)
- Individually packaged snacks will be provided on a common table and drinks will be available in the refrigerator.

**X. In-Meeting Procedures**

**Revised and Supplemental Materials**

All revised and supplemental materials for items on the agenda submitted after 12:00pm (noon) the day prior to the meeting must be submitted to the City Clerk in both paper AND electronic versions.

- Paper: 42 copies delivered to the Boardroom (distributed per normal procedure)
- Electronic: e-mailed to the Agenda Inbox (posted online)

**Communications from the Public**

The public may submit communications in hard copy at the Boardroom or electronically to [clerk@cityofberkeley.info](mailto:clerk@cityofberkeley.info). To ensure that both in-person and remote Councilmembers receive the communication, the public should submit 10 copies at the Boardroom and send the electronic version to the e-mail listed above.

Re: Continuing Use of Teleconferencing for Public Meetings

---

Assembly Bill 361 amended the Ralph M. Brown act to authorize the City to continue to hold teleconferenced meetings during a Governor-declared state of emergency without complying with a number of requirements ordinarily applicable to teleconferencing. For example, under AB 361, the City may hold teleconferenced meetings without:

1. Posting agendas at all teleconference locations
2. Listing each teleconference location in the notice and agenda for the meeting
3. Allowing the public to access and provide public comment from each teleconference location
4. Requiring a quorum of the body to teleconference from locations within City boundaries

(Cal. Gov. Code § 549539(b)(3) & (e)(1).)

Under AB 361, the City can continue to hold teleconferenced meetings without adhering to the above practices as long as the state of emergency continues and either (1) “state or local officials have imposed or recommended measures to promote social distancing,” or (2) the City determines that “meeting in person would present imminent risks to the health or safety of attendees.” (Cal. Gov. Code § 54953(e)(1).)

Every thirty days, the City must review and determine that either of the above conditions continues to exist. (Cal. Gov. Code § 54953(e)(3).) Since September 28, 2021, the City Council has passed a recurring resolution every thirty days determining that both of the above conditions continue to exist and therefore teleconferencing under AB 361 is warranted. The Council may continue to renew the teleconferencing resolution every thirty days, and thereby continue to hold teleconferenced meetings under the procedures it has used throughout the pandemic, until the state of emergency ends. (See Cal. Gov. Code § 54953(e)(3)(A).)

The state of emergency for COVID-19 has been in effect since it was issued by the Governor on March 4, 2020. There is no clear end date for the state of emergency at this time. As recently as February 17, 2022, the Governor stated that, for now, the state will continue to operate under the state of emergency, but that his goal is “to unwind the state

March 2, 2022

Page 2 Re: Continuing Use of Teleconferencing for Public Meetings

of emergency as soon as possible.”<sup>1</sup> Additionally, per a February 25, 2022 *Los Angeles Times* article, Newsom administration officials have indicated that the state of emergency is necessary for the State’s continued response to the pandemic, including measures such as waiving licensing requirements for healthcare workers and clinics involved in vaccination and testing.<sup>2</sup>

On March 15, 2022, the California State Senate Governmental Organization Committee will consider a resolution (SCR 5) ending the state of emergency.<sup>3</sup> Some reporting suggests that the Republican-sponsored resolution is unlikely to pass. Notably, Senate Leader Toni Atkins’ statement on the Senate’s consideration of SCR 5 articulates strong support for the state of emergency.<sup>4</sup>

The Governor has issued an executive order (N-1-22) which extends to March 31, 2022 sunset dates for teleconferencing for state legislative bodies (under the Bagley-Keene Open Meeting Act) and student body organizations (under the Gloria Romero Open Meetings Act).<sup>5</sup> Executive Order N-1-22 does not affect the Brown Act teleconferencing provisions of AB 361, which have a sunset date of January 1, 2024. Therefore, until January 1, 2024, the City may utilize the teleconferencing provisions under AB 361 as long as the state of emergency remains in effect.

The relevant capacity limits will be posted on the city council agenda and at the meeting location.

City staff will present remotely in order to reduce the number of persons in the Boardroom and back conference area.

### V. **Protocols for Remote Participation by Mayor or Councilmembers**

Upon the repeal of the state-declared emergency, all standard Brown Act requirements will be in effect for members of the Council participating remotely. For the Mayor and Councilmembers participating remotely, the remote location must be accessible to the public and the public must be able to participate and give public comment from the remote location.

- A Councilmember at a remote location will follow the same policies as the Boardroom with regards to vaccination status and testing requirements, health status precautions, temperature checks, and masking requirements.
- A Councilmember at a remote location may impose reasonable capacity limits at their location.

### VI. **Hand Washing/Sanitizing**

There are hand sanitizing stations placed at the entry and strategically throughout the Boardroom. The bathrooms have soap and water for handwashing.

### VII. **Air Flow/Circulation/Sanitizing**

BUSD Facilities Staff performs a vigorous cleaning process after each use of the Boardroom. BUSD upgraded all HVAC filtration to MERV13, and with the inclusion of Needlepoint BiPolar Ionization, is achieving a rating that is closer to MERV18. Additionally, BUSD installed indoor air quality monitoring sensors in all facilities that constantly monitor VOC's CO2, Relative Humidity, and Temperature. The sensors and alarms allow BUSD to ensure that all systems are working properly and as designed. If a sensor trips an alarm, a work order request is generated immediately to ensure the system is repaired expeditiously.

### VIII. Overflow in Gymnasium

An overflow indoor seating area will be available at the West Campus Gymnasium for every meeting. The capacity of the gymnasium is ~~100~~200 persons. The overflow area will have a broadcast of the meeting in progress to allow participants to follow the proceedings and move to the Boardroom at the appropriate time to provide public comment if desired. The broadcast audio and video will be provided to attendees in the overflow area. This area will be monitored by the BUSD security personnel.

### IX. Food Provided for Elected Officials and Designated Staff

- No buffet dinner provided.
- Box lunches only. Maximum of 16 (Mayor & Council [9], City Manager, City Attorney, City Clerk [2], Deputy City Managers [2], BCM Staff)
- Individually packaged snacks will be provided on a common table and drinks will be available in the refrigerator.

## Hybrid Meeting Procedures for BUSD Boardroom (November 2021)

The policy below covers the conduct of hybrid City Council meetings (in-person and remote participation) held in accordance with the Government Code and any relevant Executive Orders or State declared emergencies.

### I. **Vaccination Status**

No requirement for vaccination to attend a Council meeting. Staff and Officials will not inquire about vaccination status for any attendees.

### II. **Health Check**

A walk-up temperature check device will be located at the entry to the in-person meeting location. All persons entering the in-person meeting location are required to perform a temperature check upon entering. A handheld non-touch thermometer will be available for individuals with disabilities. Private security personnel will be at the entry location for the duration of the meeting to monitor the temperature check station and mask requirement.

Attendees showing a fever will be directed to attend the meeting via remote participation (Zoom). If an attendee refuses to have their temperature checked, guidance will be provided to the attendee on the requirement and their options for attending remotely and in-person.

Private security personnel will be the primary person for requesting compliance. If removal of a non-compliant person is needed, law enforcement personnel will perform this task.

### III. **Face Coverings/Mask**

Following the State of California and Local Health Officer Guidance, face coverings or masks that cover both the nose and mouth are required for all attendees at an in-person City Council meeting. Face coverings will be provided by the City and available for attendees to use at the meeting.

If an attendee at a Council Meeting is not wearing a mask, a mask will be offered to them to use. If the attendee refuses to wear a mask, a recess will be called in order to provide guidance to the attendee on the requirement and their options for attending remotely and in-person.

Members of the City Council, city staff, and the public are required to wear a mask at all times, including when speaking publicly at the meeting.

Private security personnel will be the primary person for requesting compliance. If removal of a non-compliant person is needed, law enforcement personnel will perform this task.

## Hybrid Meeting Procedures for BUSD Boardroom (November 2021)

### IV. Physical Distancing

Currently, there are no physical distancing requirements in place by the State of California or the Local Health Officer for an indoor event similar to a council meeting. Relevant CalOSHA requirements for the workplace will be followed as is feasible. Capacity in the audience seating area (including members of the media and staff) at the BUSD Boardroom is limited to 40 persons due to uncertainty about vaccination status of attendees and limiting attendance at indoor events to ensure the comfort and safety of attendees. Conference room capacity is limited to 12 persons. The relevant capacity limits will be posted on the city council agenda and at the meeting location.

### V. Protocols for Remote Participation by Mayor or Councilmembers

Upon the repeal of the state-declared emergency, all standard Brown Act requirements will be in effect for members of the Council participating remotely. For the Mayor and Councilmembers participating remotely, the remote location must be accessible to the public and the public must be able to participate and give public comment from the remote location.

- A Councilmember at a remote location will follow the same policies as the Boardroom with regards to vaccination status, temperature checks, and mask requirements.
- A Councilmember at a remote location may impose reasonable capacity limits at their location.

### VI. Hand Washing/Sanitizing

There are hand sanitizing stations placed at the entry and strategically throughout the Boardroom. The bathrooms have soap and water for handwashing.

to allow participants to follow the proceedings and move to the Boardroom at the appropriate time to provide public comment if desired. The broadcast audio and video will be provided to attendees in the overflow area. This area will be monitored by the BUSD security personnel.

### **IX. Food Provided for Elected Officials and Designated Staff**

# URGENT ITEM AGENDA MATERIAL

Government Code Section 54954.2(b)  
Rules of Procedure Chapter III.C.5

**THIS ITEM IS NOT YET AGENDIZED AND MAY OR MAY NOT BE ACCEPTED FOR THE AGENDA AS A LATE ITEM, SUBJECT TO THE CITY COUNCIL'S DISCRETION ACCORDING TO BROWN ACT RULES**

**Meeting Date: September 28, 2021**

**Item Description: Resolution Making Required Findings Pursuant to the Government Code and Directing City Legislative Bodies to Continue to Meet Via Videoconference and Teleconference**

This item is submitted pursuant to the provision checked below:

- Emergency Situation (54954.2(b)(1) - majority vote required)  
*Determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.*
- Immediate Action Required (54954.2(b)(2) - two-thirds vote required)  
*There is a need to take immediate action and the need for action came to the attention of the local agency subsequent to the agenda for this meeting being posted.*

Once the item is added to the agenda (Consent or Action) it must be passed by the standard required vote threshold (majority, two-thirds, or 7/9).

## **Facts supporting the addition of the item to the agenda under Section 54954.2(b) and Chapter III.C.5 of the Rules of Procedure:**

Assembly Bill 361 (Rivas) was signed by the Governor on September 16, 2021. This bill allows local legislative bodies to meet using videoconference technology while maintaining the Brown Act exemptions in Executive Order N-29-20 for noticing and access to the locations from which local officials participate in the meeting. Local agencies may only meet with the exemption if there is a state declared emergency.

The bill also requires that local legislative bodies meeting only via videoconference under a state declared emergency to make certain findings every 30-days regarding the need to meet in a virtual-only setting.

The agenda for the September 28, 2021 was finalized and published prior to the Governor signing AB 361 in to law. Thus, the need to take action came to the attention of the local agency after the agenda was distributed. This item qualifies for addition to the agenda with a two-thirds vote of the Council under Government Code Section 54954.2(b)(2).

Office of the City Attorney

CONSENT CALENDAR  
September 28, 2021

To: Honorable Mayor and Members of the City Council  
Madame City Manager

From: Farimah Faiz Brown, City Attorney

Subject: Resolution Making Required Findings Pursuant to the Government Code and Directing City Legislative Bodies to Continue to Meet Via Videoconference and Teleconference

RECOMMENDATION

Adopt a resolution making the required findings pursuant to Government Code Section 54953(e)(3) and determining that as a result of the continued threat to public health and safety posed by the spread of COVID-19, City legislative bodies shall continue to meet via videoconference and teleconference.

FISCAL IMPACT OF RECOMMENDATION

To be determined.

CURRENT SITUATION AND ITS EFFECTS

Pursuant to California Government Code section 8630 and Berkeley Municipal Code Chapter 2.88.040, on March 3, 2020, the City Manager, in her capacity as Director of Emergency Services, proclaimed a local emergency due to conditions of extreme peril to the safety of persons and property within the City as a consequence of the global spread of a severe acute respiratory illness caused by a novel (new) coronavirus (COVID-19), including a confirmed case in the City of Berkeley. As a result of multiple confirmed and presumed cases in Alameda County, the County has declared a local health emergency. On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency due to the spread of COVID-19. On March 10, 2020, the City Council ratified the Proclamation of Local Emergency with the passage of Resolution No. 69-312.

On March 17, 2020, Governor Newsom signed Executive Order N-29-20, which suspended certain portions of the Ralph M. Brown Act (Cal. Gov. Code § 54950 et seq.) related to the holding of teleconferenced meetings by City legislative bodies. Among other things, Executive Order N-29-20 suspended requirements that each location from which an official accesses a teleconferenced meeting be accessible to the public.

These changes were necessary to allow teleconferencing to be used as a tool for ensuring social distancing. City legislative bodies have held public meetings via videoconference and teleconference pursuant to these provisions since March 2020. These provisions of Executive Order N-29-20 will expire on September 30, 2021.

COVID-19 continues to pose a serious threat to public health and safety. There are now over 4,700 confirmed cases of COVID-19 and at least 55 deaths in the City of Berkeley. Additionally, the SARS-CoV-2 B.1.617.2 (“Delta”) variant of COVID-19 that is currently circulating nationally and within the City is contributing to a substantial increase in transmissibility and more severe disease.

As a result of the continued threat to public health posed by the spread of COVID-19, state and local officials continue to impose or recommend measures to promote social distancing, mask wearing and vaccination. Holding meetings of City legislative bodies in person would present imminent risks to the health and safety of the public and members of legislative bodies, and therefore public meetings cannot safely be held in person at this time

Assembly Bill 361 (Rivas), signed into law by Governor Newsom on September 16, 2021, amended a portion of the Brown Act (Government Code Section 54953) to authorize the City Council, during the state of emergency, to determine that, due to the spread of COVID-19, holding in-person public meetings would present an imminent risk to the health or safety of attendees, and therefore City legislative bodies must continue to meet via videoconference and teleconference. Assembly Bill 361 requires that the City Council must review and ratify such a determination every thirty (30) days. Therefore, if the Council passes this resolution on September 28, 2021, the Council will need to review and ratify the resolution by October 28, 2021.

This item requests that the Council review the circumstances of the continued state of emergency posed by the spread of COVID-19, and find that the state of emergency continues to directly impact the ability of the public and members of City legislative bodies to meet safely in person, that holding public meetings of City legislative bodies in person would present imminent risks to the health and safety of attendees, and that state and local officials continue to promote social distancing, mask wearing and vaccination. This item further requests that the Council determine that City legislative bodies, including but not limited to the City Council and its committees, and all commissions and boards, shall continue to hold public meetings via videoconference and teleconference, and that City legislative bodies shall continue to comply with all provisions of the Brown Act, as amended by SB 361.

#### BACKGROUND

On March 1, 2020, Alameda County Public Health Department and Solano County Public Health Department reported two presumptive cases of COVID-19, pending confirmatory testing by the Centers for Disease Control (CDC), prompting Alameda County to declare a local health emergency.

On March 3, 2020, the City's Director of Emergency Services proclaimed a local emergency due to the spread of COVID-19, including a confirmed case in the City of Berkeley and multiple confirmed and presumed cases in Alameda County.

On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency due to the spread of COVID-19.

On March 10, 2020, the City Council ratified the Proclamation of Local Emergency. Since that date, there have been over 4,700 confirmed cases of COVID-19 and at least 57 deaths in the City of Berkeley.

On March 17, 2020, Governor Newsom signed Executive Order N-29-20 which suspended certain portions of the Ralph M. Brown Act (Cal. Gov. Code § 54950 et seq.) to allow teleconferencing of public meetings to be used as a tool for ensuring social distancing. As a result, City legislative bodies have held public meetings via teleconference throughout the pandemic. The provisions of Executive Order N-29-20 allowing teleconferencing to be used as a tool for social distancing will expire on September 30, 2021.

#### ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

Not applicable.

#### RATIONALE FOR RECOMMENDATION

The Resolution would enable the City Council and its committees, and City boards and commissions to continue to hold public meetings via videoconference and teleconference in order to continue to socially distance and limit the spread of COVID-19.

RE: Transition Period Prior to Repeal of COVID-related Executive Orders

Dear Mr. Knaus, Ms. Miller, Ms. Hurst, Ms. Preston, Ms. Heaton, Ms. King, Ms. Coleman, Ms. Blacet-Hyden, Mr. McCormick, Mr. Anderson, and colleagues,

Thank you for your correspondence of May 18, 2021, inquiring what impact the anticipated June 15 termination of the Blueprint for a Safer Economy will have on Executive Order N-29-20, which provided flexibility to state and local agencies and boards to conduct their business through virtual public meetings during the COVID-19 pandemic.

Please be assured that this Executive Order Provision will not terminate on June 15 when the Blueprint is scheduled to terminate. While the Governor intends to terminate COVID-19 executive orders at the earliest possible date at which conditions warrant, consistent with the Emergency Services Act, the Governor recognizes the importance of an orderly return to the ordinary conduct of public meetings of state and local agencies and boards. To this end, the Governor's office will work to provide notice to affected stakeholders in advance of rescission of this provision to provide state and local agencies and boards time necessary to meet statutory and logistical requirements. Until a further order issues, all entities may continue to rely on N-29-20.

We appreciate your partnership throughout the pandemic.

Regards,

### Standards Board Readopts Revised Cal/OSHA COVID-19 Prevention Emergency Temporary Standards

**The revised Cal/OSHA standards are expected to go into effect no later than June 15**

**Sacramento** — The Occupational Safety and Health Standards Board on June 3 readopted Cal/OSHA's revised COVID-19 prevention emergency temporary standards.

Last year, the Board adopted health and safety standards to protect workers from COVID-19. The standards did not consider vaccinations and required testing, quarantining, masking and more to protect workers from COVID-19.

The changes adopted by the Board phase out physical distancing and make other adjustments to better align with the state's June 15 goal to retire the Blueprint. Without these changes, the original standards, would be in place until at least October 2. These restrictions are no longer required given today's record low case rates and the fact that we've administered 37 million vaccines.

The revised emergency standards are expected to go into effect no later than June 15 if approved by the Office of Administrative Law in the next 10 calendar days. Some provisions go into effect starting on July 31, 2021.

The [revised standards](#) are the first update to Cal/OSHA's temporary COVID-19 prevention requirements adopted in November 2020.

**The Board may further refine the regulations in the coming weeks** to take into account changes in circumstances, especially as related to the availability of vaccines and low case rates across the state.

The standards apply to most workers in California not covered by Cal/OSHA's Aerosol Transmissible Diseases [standard](#). Notable revisions include:

- **Face Coverings:**
  - Indoors, fully vaccinated workers without COVID-19 symptoms do not need to wear face coverings in a room where everyone else is fully vaccinated and not showing symptoms. However, where there is a mixture of vaccinated and unvaccinated persons in a room, all workers will continue to be required to wear a face covering.
  - Outdoors, fully vaccinated workers without symptoms do not need to wear face coverings. However, outdoor workers who are not fully vaccinated must continue to wear a face covering when they are less than six feet away from another person.
- **Physical Distancing:** When the revised standards take effect, employers can eliminate physical distancing and partitions/barriers for employees working indoors and at outdoor mega events if they provide respirators, such as N95s, to unvaccinated employees for voluntary use. After July 31, physical distancing

and barriers are no longer required (except during outbreaks), but employers must provide all unvaccinated employees with N95s for voluntary use.

- **Prevention Program:** Employers are still required to maintain a written COVID-19 Prevention Program but there are some key changes to requirements:
  - Employers must review the California Department of Public Health's [Interim guidance for Ventilation, Filtration, and Air Quality in Indoor Environments](#).
  - COVID-19 prevention training must now include information on how the vaccine is effective at preventing COVID-19 and protecting against both transmission and serious illness or death.
- **Exclusion from the Workplace:** Fully vaccinated workers who do not have COVID-19 symptoms no longer need to be excluded from the workplace after a close contact.
- **Special Protections for Housing and Transportation:** Special COVID-19 prevention measures that apply to employer-provided housing and transportation no longer apply if all occupants are fully vaccinated.

The Standards Board will file the readoption rulemaking package with the Office of Administrative Law, which has 10 calendar days to review and approve the temporary workplace safety standards enforced by Cal/OSHA. Once approved and published, the full text of the revised emergency standards will appear in the Title 8 sections [3205](#) (COVID-19 Prevention), [3205.1](#) (Multiple COVID-19 Infections and COVID-19 Outbreaks), [3205.2](#) (Major COVID-19 Outbreaks) [3205.3](#) (COVID-19 Prevention in Employer-Provided Housing) and [3205.4](#) (COVID-19 Prevention in Employer-Provided Transportation) of the [California Code of Regulations](#). Pursuant to the state's [emergency rulemaking process](#), this is the first of two opportunities to readopt the temporary standards after the initial effective period.

The Standards Board also convened a representative subcommittee to work with Cal/OSHA on a proposal for further updates to the standard, as part of the emergency rulemaking process. It is anticipated this newest proposal, once developed, will be heard at an upcoming Board meeting. The subcommittee will provide regular updates at the Standards Board monthly meetings.

The [Occupational Safety and Health Standards Board](#), a seven-member body appointed by the Governor, is the standards-setting agency within the Cal/OSHA program. The Standards Board's objective is to adopt reasonable and enforceable standards at least as effective as federal standards. The Standards Board also has the responsibility to grant or deny applications for permanent variances from adopted standards and respond to petitions for new or revised standards.

To: Agenda & Rules Committee

From: Dee Williams-Ridley, City Manager

Subject: Preliminary Analysis of Return to In-Person Meetings of City Legislative Bodies

---

### Introduction

This memo responds to the request from the Agenda & Rules Committee on May 17, 2021 for information from the City Manager on the options and timing for a return to in-person meetings for City legislative bodies. The analysis below is a preliminary summary of the considerations and options for returning to in-person meetings.

With the onset of the COVID-19 pandemic, the shelter-in-place order, and the issuance of Executive Order N-29-20 ("Executive Order") in the spring of 2020, the City quickly adjusted to a virtual meeting model. Now, almost 15 months later, with the Blueprint for a Safer Economy scheduled to sunset on June 15, 2021, the City is faced with a new set of conditions that will impact how public meetings may be held in Berkeley. While the June 15, 2021 date appears to be certain, there is still a great deal of uncertainty about the fate of the Executive Order. In addition, the City is still awaiting concrete, specific guidance from the State with regards to regulations that govern public meetings and public health recommendations that will be in place after June 15, 2021.

For background, Executive Order N-29-20 allows legislative bodies to meet in a virtual setting and suspends the following Brown Act requirements:

- Printing the location of members of the legislative body on the agenda;
- Posting the agenda at the location of members of the legislative body that are remote; and
- Making publicly available remote locations from which members of the legislative body participate.

Meeting Options

There are three groups of City Legislative bodies that are considered in this memo

- City Council;
- City Council Policy Committees; and
- Boards and Commissions.

The three meeting models available are:

- In-person only;
- Virtual only; or
- Hybrid (in-person and virtual).

The scenarios below show the options available for each given set of facts.

| Summary Recommendations of Meeting Options | Physical Distancing |        |          | No Physical Distancing |        |          |
|--------------------------------------------|---------------------|--------|----------|------------------------|--------|----------|
|                                            | In-Person           | Hybrid | Virtual* | In-Person              | Hybrid | Virtual* |
|                                            | City Council        | X      | X        | X                      | X      | X        |
| Policy Committees                          |                     |        | X        | X                      |        | X        |
| Board and Commissions                      |                     |        | X        | X                      |        | X        |

\* The ability to hold virtual-only meetings is dependent on the status of Executive Order N-29-20

Currently, the Centers for Disease Control recommends physical distancing for unvaccinated persons. While the City and the community have made tremendous progress with regards to vaccination, the City would use the guidelines for unvaccinated persons when making determinations regarding public meetings.

Meeting Type Considerations

Our previous experience pre-pandemic and our experience over the past 15 months demonstrates that the City can conduct all in-person and all virtual meetings. However, the possibility of hybrid meetings presents new questions to consider. The primary concern for a return to in-person meetings using a hybrid model is the impact on the public experience and the legislative process.

*Will the legislative body be able to provide a transparent, coherent, stable, informative, and meaningful experience for the both the public in attendance and virtually?*

*Will the legislative body be able to conduct the legislative process in an efficient, coherent, and meaningful manner with the members split between in-person and virtual, and considering the additional delays and logistical challenges of allowing for public participation in a hybrid model?*

For the City Council, testing has shown that the larger space and technology infrastructure at the Boardroom will allow the Council to conduct all three types of meetings (in-person, hybrid, virtual).

For Policy Committees and Commissions, only the “all virtual” or “all in-person” meetings are recommended. Preliminary testing has shown that the audio/visual limitations of the meeting rooms available for these bodies would result in inefficient and cumbersome management of the proceedings in a hybrid model. In addition, there are considerations to analyze regarding the available bandwidth in city facilities and all members having access to adequate devices. Continuing the all virtual model for as long as possible, then switching to an all in-person model when conditions permit provides the best access, participation, and legislative experience for the public and the legislative body.

#### Other Considerations

Some additional factors to consider in the evaluation of returning to in-person or hybrid meetings are:

- How to address vaccination status for in-person attendees.
- Will symptom checks and/or temperature checks at entry points be required?
- Who is responsible for providing PPE for attendees?
- How are protocols for in-person attendees to be enforced?
- Physical distancing measures for the Mayor and City Councilmembers on the dais.
- Installation of physical barriers and other temporary measures.
- Will the podium and microphone need to be sanitized after every speaker?
- High number of touch points in meeting rooms.
- Will chairs for the public and staff need to be sanitized if there is turnover during the meeting?
- Determining the appropriate capacity for meeting locations.
- The condition and capacity of meeting room ventilation system and air cycling abilities.
- How to receive and share Supplemental Items, Revisions, Urgent Items, and submissions by the public both in-person and virtually.
- Budget including costs for equipment, physical improvements, A/V, PPE, and sanitization.

Conclusion

As stated above, conditions are changing daily, and there is a high degree of uncertainty surrounding the future guidance, regulations, and actions at the state level. Planning, testing and analysis are already underway to prepare for an eventual return to in-person meetings. Staff will continue to monitor the evolving legislative and public health circumstances and advise the committee at future meetings.

1. Executive Order N-29-20

EXECUTIVE DEPARTMENT  
STATE OF CALIFORNIA

EXECUTIVE ORDER N-29-20

**WHEREAS** on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

**WHEREAS** despite sustained efforts, the virus continues to spread and is impacting nearly all sectors of California; and

**WHEREAS** the threat of COVID-19 has resulted in serious and ongoing economic harms, in particular to some of the most vulnerable Californians; and

**WHEREAS** time bound eligibility redeterminations are required for Medi-Cal, CalFresh, CalWORKs, Cash Assistance Program for Immigrants, California Food Assistance Program, and In Home Supportive Services beneficiaries to continue their benefits, in accordance with processes established by the Department of Social Services, the Department of Health Care Services, and the Federal Government; and

**WHEREAS** social distancing recommendations or Orders as well as a statewide imperative for critical employees to focus on health needs may prevent Medi-Cal, CalFresh, CalWORKs, Cash Assistance Program for Immigrants, California Food Assistance Program, and In Home Supportive Services beneficiaries from obtaining in-person eligibility redeterminations; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

**NOW, THEREFORE, I, GAVIN NEWSOM**, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following order to become effective immediately:

**IT IS HEREBY ORDERED THAT:**

1. As to individuals currently eligible for benefits under Medi-Cal, CalFresh, CalWORKs, the Cash Assistance Program for Immigrants, the California Food Assistance Program, or In Home Supportive Services benefits, and to the extent necessary to allow such individuals to maintain eligibility for such benefits, any state law, including but not limited to California Code of Regulations, Title 22, section 50189(a) and Welfare and Institutions Code sections 18940 and 11265, that would require redetermination of such benefits is suspended for a period of 90 days from the date of this Order. This Order shall be construed to be consistent with applicable federal laws, including but not limited to Code of Federal Regulations, Title 42, section 435.912, subdivision (e), as interpreted by the Centers for Medicare and Medicaid Services (in guidance issued on January 30, 2018) to permit the extension of

otherwise-applicable Medicaid time limits in emergency situations.

2. Through June 17, 2020, any month or partial month in which California Work Opportunity and Responsibility to Kids (CalWORKs) aid or services are received pursuant to Welfare and Institutions Code Section 11200 et seq. shall not be counted for purposes of the 48-month time limit set forth in Welfare and Institutions Code Section 11454. Any waiver of this time limit shall not be applied if it will exceed the federal time limits set forth in Code of Federal Regulations, Title 45, section 264.1.
3. Paragraph 11 of Executive Order N-25-20 (March 12, 2020) is withdrawn and superseded by the following text:

Notwithstanding any other provision of state or local law (including, but not limited to, the Bagley-Keene Act or the Brown Act), and subject to the notice and accessibility requirements set forth below, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body or state body. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived.

In particular, any otherwise-applicable requirements that

- (i) state and local bodies notice each teleconference location from which a member will be participating in a public meeting;
- (ii) each teleconference location be accessible to the public;
- (iii) members of the public may address the body at each teleconference conference location;
- (iv) state and local bodies post agendas at all teleconference locations;
- (v) at least one member of the state body be physically present at the location specified in the notice of the meeting; and
- (vi) during teleconference meetings, a least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction

are hereby suspended.

A local legislative body or state body that holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, consistent with the notice and accessibility requirements set forth below, shall have satisfied any requirement that the body allow

members of the public to attend the meeting and offer public comment. Such a body need not make available any physical location from which members of the public may observe the meeting and offer public comment.

Accessibility Requirements: If a local legislative body or state body holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, the body shall also:

- (i) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the Americans with Disabilities Act and resolving any doubt whatsoever in favor of accessibility; and
- (ii) Advertise that procedure each time notice is given of the means by which members of the public may observe the meeting and offer public comment, pursuant to subparagraph (ii) of the Notice Requirements below.

Notice Requirements: Except to the extent this Order expressly provides otherwise, each local legislative body and state body shall:

- (i) Give advance notice of the time of, and post the agenda for, each public meeting according to the timeframes otherwise prescribed by the Bagley-Keene Act or the Brown Act, and using the means otherwise prescribed by the Bagley-Keene Act or the Brown Act, as applicable; and
- (ii) In each instance in which notice of the time of the meeting is otherwise given or the agenda for the meeting is otherwise posted, also give notice of the means by which members of the public may observe the meeting and offer public comment. As to any instance in which there is a change in such means of public observation and comment, or any instance prior to the issuance of this Order in which the time of the meeting has been noticed or the agenda for the meeting has been posted without also including notice of such means, a body may satisfy this requirement by advertising such means using "the most rapid means of communication available at the time" within the meaning of Government Code, section 54954, subdivision (e); this shall include, but need not be limited to, posting such means on the body's Internet website.

All of the foregoing provisions concerning the conduct of public meetings shall apply only during the period in which state or local public health officials have imposed or recommended social distancing measures.

All state and local bodies are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Bagley-Keene Act and the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

**IT IS FURTHER ORDERED** that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

**IN WITNESS WHEREOF** I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 17th day of March 2020.
